Technology Assignments for Intermediate Areas Matrix Designation Reactive Armored Cap Armored Cap Dredge to DOCR/Reactive Residual Layer Ν DOCR < 15 Ft Reliably Contained? Dredge to 15 ft/ Significantly Augmented Reactive Cap Engineered Cap Ν Designated Armored Cap? Dredge to DOCR/Reactive Residual Layer DOCR < 15 Ft Dredge to 15 ft/Reactive Residual Layer Designated ngineered Cap Engineered Cap Designated Armored Cap Dredge to DOCR/Reactive Residual Layer Dredge to DOCR/Residual Layer Designated DOCR < 15 Ft Dredge? Dredge to 15 ft/Reactive Residual Layer N Dredge to 15 ft/Residual Layer Dredge to depth of PTW/Reactive DOCR < 15 ft? Dredge to 15 ft/Significantly Augmented Designated EMNR

PRELIMINARY DRAFT

Notes:

DOCR – Depth of contamination to be removed based on

Remedial Action Levels (RALs)

EMNR – Enhanced monitored natural recovery

MNR – Monitored natural recovery

PTW – Principal threat waste

SMA – Sediment Management Area
